**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We know the problems with oligopolies. As a small business owner faced with either AT&T or Comcast I am fortunate that I was able to have access to my local ISP's DSL. Eventually, since I saw they subcontracted with Sonic, I switched directly to Sonic's gigabit fiber at the same cost as my DSL.

Small and medium enterprises (SME) need net neutrality. Please help us keep the ISP landscape a competitive one for SME's and consumers.

Regards,

Christopher Wu
